Subject: **Labyrinth Pictures Wanted**

Dear Friends,

I am preparing for two different events which will include a presentation about Oregon Labyrinths. Do you have some photos I can use?

I need a variety of pictures showing different kinds of labyrinths and a variety of ways they are being used. I am especially interested in pictures of ways labyrinths are being used to promote peace and justice. So, if you have pictures of Labyrinth Walks for Haiti, Peace Walks, Food Labyrinths, etc. , those would be very helpful.

Please include a very brief description of each photo.

1. **IMPORTANT:** Items submitted must be your original work and must not infringe on the copyright of others. By submitting items for publication you are affirming that you have permission to use this material and that are granting Labyrinth Network Northwest permission to use your photos for presentations and possibly post your work on the web site.

Thanks for your help.

Love,

Kay
