We will be having a phone conference discussion on next Tuesday evening, June 22 at 7:30 PM.

### **NEW Labyrinth at VA Rehabilitation Center**

This Friday, June 18, a new labyrinth is being dedicated at the VA Southern Oregon Rehabilitation Center in White City, Oregon (near Medford). Thus Oregon continues to be a national leader in use of labyrinths in medical facilities.

The idea for a labyrinth at the SORCC was conceived 5 years ago, when a group of Veterans walked the Trinity Gardens Labyrinth in Ashland. They reported feeling relaxed, balanced, and more aware of their surroundings. The idea that walking a labyrinth would be beneficial for Veterans was reinforced by the fact that hospitals around the country are establishing labyrinths as an aid for healing.

### **New Labyrinth at The Grotto in Portland**

LNN Member, Landscape Architect, Stephen Shibley led the construction of the Portland's newest labyrinth which was just completed at the Grotto. The Grotto is celebrating the opening of their new labyrinth with 3 retreats...July 10, 14, & 17. Details on all these events are listed on the [LNN Calendar](#).
