Dear Labyrinth Friends,

I hope you've been checking the LNN Calendar frequently. Events have been coming and going so fast that I can hardly keep up. There is no way I could possibly tell you about all the interesting labyrinth events. I've added a lot of new fall events recently. This is a very busy time for labyrinth walkers as we try to get in a few more outdoor walks before winter and indoor events are beginning.

This afternoon is the monthly labyrinth walk at Sacred Heart Medical Center in Eugene. Tonight there will be a labyrinth presentation by Crystal Dawn Walker at St. Gabriel's Episcopal Church in Portland. Details of these and other interesting events can be found on the LNN Calendar page <http://www.labyrinthnetworknorthwest.org/calendar.html> Are your events listed?????
