### **Report from the TLS Labyrinth Gathering in New Harmony**

The Northwest was well represented at the International Labyrinth Gathering last week by 8 participants from Oregon and 4 participants from British Columbia. We all had an incredible experience... good speakers, good workshops, good food, good fellowship. New Harmony is a very interesting place with a lot of art, history, and meditation spaces. A variety of temporary labyrinths were built all around the town including 3 pumpkin labyrinths,

2 equestrian labyrinths, a CD labyrinth, a glow in the dark labyrinth, a light projection labyrinth, and even a loser's labyrinth created with the non-winning tickets from the quilt raffle and 50/50 raffle.

People who attended the labyrinth gathering in New Harmony are now sorting their pictures and writing about their experiences for a special edition of the LNN news so you will soon have an opportunity to learn more about their very memorable experiences.
