## LNN Fall Newsletter

We had so much news this fall that we divided it into two separate editions. The special edition about the TLS Gathering in Hudson, WI was published a few weeks ago. Now we have the regular Fall Newsletter which tell you what's happening around labyrinths in the Northwest. Christiana Brinton and Jodi Lorimer have done a great job finding news for you. I'm sure you'll be interested in reading about two new Oregon labyrinths, some new resources, and lots of info and pictures of recent events. Make yourself a cup of tea and sit down and enjoy reading the labyrinth news.

## Labyrinth Suncatchers = Popular Christmas Gifts

We've had a wonderful response from our labyrinth friends! Once again, we've sold our entire supply of colorful suncatchers and ordered more. The profits from these sales will go toward scholarships for our LNN members to attend the International Labyrinth Gathering next fall on Vancouver Island and our other activities that promote the building and use of labyrinths. To get yours, put in an order right away by contacting [jlorimer@easystreet.net](mailto:jlorimer@easystreet.net) with your name, address, how many and what color(s) you want.

Suncatcher description and picture can be found on the LNN Marketplace page. Be aware that the colors vary depending on the availability, and we are now able to mail them to you.

We still have a couple of those purple labyrinth tote bags too. Let Jody know if you want one of them.
