International Labyrinth Gathering - September 2013 - Vancouver Island, B.C.

Plans are brewing... lots of people from Oregon and Washington are planning to head north for the International Labyrinth Gathering. It's going to be a wonderful event.... lots of labyrinths, great workshops, speakers, labyrinth marketplace, and a chance to mingle with labyrinth enthusiasts from around the world..... and it's in a beautiful location!

Save the date! - February 24, 2013
1:30 PM - 3:30 PM

Let's Talk about Labyrinths on Vancouver Island with Stephen Shibley

This LNN event is being held in the Fireside Room of Westminster Presbyterian Church
1624 N.E. Hancock St.
Portland, OR 97212

It's free and open to the public.

Following a short video highlighting some of the beautiful labyrinths on Vancouver Island, Stephen Shibley will give us the latest information about plans for the 2013 International Labyrinth Gathering which many LNN members hope to attend. After the presentation Stephen will be available to answer your questions. Details on the LNN Calendar <http://www.labyrinthnetworknorthwest.org/calendar.html>

Video Invitation to the International Labyrinth Gathering

Look in the video section of the LNN Resources page. The first entry, a beautiful video invitation to the Vancouver Island labyrinth gathering. This video will give you an idea why I'm so excited about this wonderful opportunity so close to home. <http://www.labyrinthnetworknorthwest.org/resources.html#video>
While you're on that page, scroll down the list. Some other very interesting videos have been added recently.

LNN on Facebook

Thanks to Jamie Rossetti, newest member of the LNN Planning Circle, for starting a Facebook Page for Labyrinth Network Northwest (LNN). Now it's time for us to give Jamie some help. Please visit our Facebook page and "Like" it! Lots of people have been liking some of our pictures, but we now need more people to "Like" our page, so FB will help us reach a wider audience.

<https://www.facebook.com/LNNLabyrinthNetworkNorthwest>

This is your opportunity to share some of your favorite labyrinth pictures and tell people what's happening with your favorite labyrinth. Right now we are starting an album "Winter on Northwest Labyrinths". Please send us your favorite NW winter labyrinth pictures. We don't have a place on our website for you to share your pictures, so this is your chance.

Link to LNN Facebook from the LNN Home Page

If you forget how to find us on Facebook, there's a link directly to our page on the sidebar of the LNN Home Page. Look on the left side of the page. Scroll down..... beneath the picture of The Grotto Labyrinth, you'll find the link to Facebook. Check it out.

LNN's Website - a Valuable Resource - Increasing in Popularity

LNN's website is the place to go for information about labyrinths. Our website is now 5 years old and our statistics show that it is being used more every year. The LNN website is a wealth of information on everything related to labyrinths, and it's used by people all around the world.

Did you know that LNN is a totally volunteer operation? We have no paid employees and no office. We offer a variety of free and inexpensive events and a network of support for our members in addition to our website. All these benefits are funded by membership fees and donations. So, if you use and appreciate our website, please support LNN by becoming a member. It's only \$10 per year! Of course additional donations of time and money are also very welcome. Please support Labyrinth Network Northwest. <http://www.labyrinthnetworknorthwest.org/membership.html>

More Volunteers Needed for LNN's Prison Labyrinth Ministry

We normally host a labyrinth walk for the women inmates at Coffee Creek State Prison every Monday evening and a monthly walk at Oak Creek Correctional Facilities for Girls. Unfortunately because some of our volunteers have been ill or traveling, we have had to cancel a couple of our weekly walks. We need to broaden our base of support for this wonderful program. This news article from the Oregonian gives a good description of the work we're doing and how much it is valued by the inmates. We go into the prison in teams of 2 or more with each team hosting one labyrinth walk per month. Your commitment would be less than 2 hours per month, and you would never be required to work alone.
