Kay sends her wishes for a good World Labyrinth Day from Barcelona.

This photo is from the museum at Sagrada Familia Basilica in Barcelona. Apparently this labyrinth is hidden somewhere in the construction. The explanation was handwritten in Spanish, and we couldn't figure it out. I would appreciate any info anybody can send me about this. Who knows. Some LNN member might have been able to read that explanation.

LNN Summer Pilgrimage to The Dalles

Thursday, June 20, 2013

9:00 AM - 4:00 PM

Join us in the gorgeous Columbia Gorge for a day of labyrinth walking and fellowship. Our facilitator will be Joyce Powell-Morin, MN, RN, Chief Cultural Officer at Mid-Columbia Medical Center in The Dalles. We will enjoy a presentation and labyrinth walk on the hospital grounds. The labyrinth walk will have harp accompaniment by the hospital's music-thanatologist. Those who wish to join us can enjoy lunch at a restaurant at this location. Visit the LNN home page for more details and registration information.
