100 labyrinths

with photos & contact information

Dear labyrinth friends,

About half of the labyrinths in British Columbia are on Vancouver Island, and you are invited to come up and explore some of them.

A group of people from the Oregon/Washington area are planning to go to Vancouver Island in September for the big International Labyrinth Gathering. This is the first time that The Labyrinth Society's annual gathering is being held outside of the USA. The people of Vancouver Island are offering an amazing number of interesting labyrinth events before, during, and after the TLS Gathering. We would welcome you as part of our group of pilgrims traveling to Vancouver Island to participate in this amazing event. There will be interesting speakers and workshops, labyrinth making on the beach, labyrinth tours, labyrinth marketplace and more. Find all the details about the Gathering on The Labyrinth Society's web page.

There are many events and many decisions to make related to this labyrinth gathering, so **Deadline for Early Bird Registration has been extended until July 21.**

To further inspire you, watch one or both of the beautiful videos about Labyrinths of Vancouver Island on the LNN Resources Page.
