To: LNN Announcements announcements@labyrinthnetworknorthwest.org

Update on Marylhurst Labyrinth Painting Project.

Because of the 90% chance of rain predicted for Sunday, March 20, we are postponing the painting project to another day as yet undermined.

Proposed plan for another painting day will be announced soon.

This gives you more time to save some Yoghurt cartons for the painters and make plans to participate. For more info, contact the Marylhurst Labyrinth Group <u>labyrinthgroup@marylhurst.edu</u>
