

A Labyrinth Experience 2011

Labyrinth in YACHATS

on July 16th 8 AM

South side of Yachats River on the beach

Anyone bringing a staff, stick or magic wand to draw with can learn how to build a labyrinth in the sand.

A local 'labyrinth apprentice' will assist Denny in drawing a 50 foot Santa Rosa style labyrinth starting around 9

Walk a LABYRINTH in the sand

**This event is hosted by
Labyrinth Park Project Task Force And Connections Unlimited**

Denny Dyke, founder of Sacred Journeys, created Circles in the Sand as a way for everyone to have a chance to enjoy the beauty of the labyrinth and become more informed about them. All labyrinths available to be walked from the time they are completed until the tide reclaims the beach.
