

CHILDREN & Labyrinths: FOCUS & FUN A "HANDS-ON" Workshop for EDUCATORS & ALL

Presented by Beth Langley, Montessori Teacher and Labyrinth Maker
www.lastinglabyrinths.com

Labyrinth Art, Activities, and Exercises provide opportunities to practice focusing, being attentive, enjoying group interaction, creative expression and personal reflection! Come learn and experience some great ways to share the labyrinth with children and others. We'll construct a small temporary labyrinth, walk it, and find ways to use the labyrinth for celebrations, meditative exercises, ceremonies & just plain fun!

Beth Langley was introduced to labyrinths over ten years ago. She now designs and builds labyrinths and conducts labyrinth programs for children and adults. Beth has a BA from Columbia College, a **Montessori** Educational Programs International (MEPI) credential at the Primary Level, is a Veriditas certified **Labyrinth** facilitator, and has a love of **ART** & *all things creative*. Beth will be presenting at the 2013 International Montessori Congress.

Sunday, August 4, 2013 - 2:00 PM - 5:00 PM
St. Luke's Episcopal Church - 120 SW Towle, Gresham, OR
